Dear Paramount Acquisition Team,

As a proud and loyal employee of Paramount, I am excited to formally apply for the Morning News Anchor position at CBS4 in Denver, Colorado. My current position at CBS13 Sacramento has been immensely rewarding and enjoyable and I am now interested in continuing my career growth in a position where I can increase my experience and focus on news anchoring in a larger market. The Denver market is particularly interesting due to its size and diverse demographics.

Since starting at CBS13 Sacramento, I have proven myself to be a team player and an asset to the station. I have demonstrated my versatility and abilities as an anchor, reporter, and weather anchor, and showcased my capability to engage, enlighten, and inform audiences on all media platforms, while maintaining and growing our viewership ratings.

I have reviewed the requirements for the Morning News Anchor position thoroughly. I am confident the skills I have developed during my time at CBS13, together with my broad experience in television and media over the past 16 years, makes me uniquely qualified for the position at CBS4 Denver.

Further, my excellent work ethic, persistent enthusiasm, and journalistic integrity enable me to provide accurate and fresh news content that is compelling and meaningful to the viewing audience. Finally, my professionalism, combined with my own mixed ethnicity, provides me with a rich, universal, and inclusive perspective that supports and reinforces Paramount's culture of creating connections and building community.

I appreciate your consideration and I look forward to hearing from you to further discuss this opportunity. I have included my resume and bio for your review. You may also view my demo reel electronically at: <https://www.jsegundo.com/cbs4>
